**We are happy to report that Miss Silvana's paperwork is all taken care of and in order. She is "officially" back to work as our CRE. Thank you for all your prayers and support.**

Dear Parishioners,

*"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have"* 1Peter 3:15. Such were the words that St. Peter addressed to the Christians of his time, who were facing a hostile and pagan world, not too far from the world in which we live now. These same words are directed to us by St. Peter, every time we read them. Now the question is, are we prepared to give an answer to everyone who asks? Precisely because we need to be prepared is why it is so important to make sure that we start as soon as possible to know our Catholic faith. That is why as parents, you have a great responsibility of teaching your children the Faith, or making sure they learn it. One way of making sure this happens is by sending them to Religious Education, and helping the teachers and myself in any way you can to see your children grow in the life of Faith. But also keep in mind that this slow growth in the faith does not end with confirmation, it is a life long process and for those of us adults and already confirmed, it is our obligation to continue to know more about our Faith. As a parish we will be offering, as in the past, an opportunity to talk about our faith and I would like as many of you as possible to join us in learning more about God so that knowing more about Him, we can love Him all the more and serve Him all the better. Finally especial thanks to all the teachers and aides that helps us in this important mission of spreading our Faith to future generations.

Blessings,  
Fr. Jerry
