Dear Religious Education Families,

I wanted to let you know that unfortunately as of August 6 I don't have authorization to work for the Diocese of Madison due to the fact that I am currently in the adjustment of status process and my R-1 visa (that's the religious visa with which I entered the United States) has expired. As part of the adjustment process, I'm currently waiting for both my green card interview and a receipt of my EAD (which will allow me to work until my green card arrives).

I will be able to work again as soon as my EAD is issued, but we do not know exactly when that will be. In the meantime, I will ask you to please get in touch with Maria Paz Carrasco at secretary@slsonline.org or (608) 370-3795 for any questions regarding our RE program. Or you can always contact Fr. Jerry with any questions.

I'm hopeful that I will be seeing you soon, and that my authorization to work will arrive before school starts.

Thank you,
Silvanna

BISHOP HYING TO LEAD 2019 REPECT LIFE RETREAT

"I'll be focusing on building a culture of life through the beauty of the human person. We often talk about human dignity, but it goes beyond human dignity. The Respect Life Retreat is an annual gathering of individuals working to protect life from conception to natural death. The retreat will be held in preparation for the 40 Days for Life campaign in September.
